City Village

225 Bourke Street is the City Village, a central community hub where the City of Melbourne generously offers rental space at affordable rates for community organisations. We are excited to be sharing Level 3 with Travellers Aid, a non-profit which has been offering travel and support services to travellers since 1916. Other community organisations in the City Village include the Human Rights and Arts Film Festival, Joy FM, The ALSO Foundation and the International Women's Development Agency.

Intercom access to Level 3

Access to Level 3 is by an intercom at the ground floor entrance which links to an intercom on Level 3. Buzz up and we will let you in.

Public transport and parking

There is a Melbourne bike share station very close by on Bourke Street:

The 86, 95 and 96 trams stop right outside on Bourke Street and other trams stop very close by on Swanston Street. The City Village is a similar distance from Parliament, Flinders Street, Southern Cross and Melbourne Central stations.

Council House Carpark (200 Little Collins Street) is \$10 for 2 hours. See:
